

13. február 2013 o 18:30

v štúdiu ZebraPatchwork
Makovického 3 v Bratislave

Stay in studios in Paris inspired, teased and tried to deceive. After a few months in Bratislava, the faces of madness and

colorful details - that might otherwise remain unnoticed - were revealed in the intimate atmosphere

. The longer time is devoted to looking at these photos, the more complete the

overall experience one experiences

. Funfacts followed each snapshot. The exhibition was almost completely sold out that evening.
